Mission

The mission of *Gastroenterology & Hepatology* (G&H) is to contribute to the advancement of these interrelated fields by providing indispensable editorial content to gastroenterologists and hepatologists. G&H fulfills the voiced need of practicing physicians for a practical and readable journal containing the most up-to-date clinical information in gastrointestinal disorders, including diseases of the liver and biliary tract.

G&H has three main editorial departments:

- Thought leader-driven review articles
- Clinical case studies with expert commentary
- Advances columns featuring engaging interviews with experts on current issues in IBD, IBS, GERD, hepatitis, and endoscopy

Editorial Direction

A peer-reviewed monthly journal, G&H provides editorial content encompassing a wide array of topics relevant and useful to the fields of gastroenterology and hepatology, both separately and together. Content is directed by the strong input of experts in the field. G&H contains several monthly columns providing cutting edge content on current issues in these fast-moving fields, including:

- Pro/Con: Experts present their views on controversial issues in gastroenterology and hepatology
- Clinical Trials Broadcast: Summaries of ongoing, phase III clinical trials in vital therapeutic areas
- Gastro/Hep News: Briefs about the latest developments and global meeting coverage
- Clinical Updates: Peer-reviewed updates on landmark therapeutic developments

Circulation

G&H circulates to nearly 18,000 gastroenterologists, hepatologists, pediatric gastroenterologists, colon and rectal surgeons, and NP/PA’s identified as high prescribers of GI products.
2017 Print Advertising Rates

Effective Date: January 2017

Agency Commission: 15% of gross on space, color, and position if paid within 30 days.

Earned Rate: Frequency Discounts are earned on the basis of accumulated ad space placed within a 12-month period. All pages of a parent company and its subsidiaries placed in Gastroenterology & Hepatology are combined to determine the earned rate for the publication.
