Mission

The mission of *Gastroenterology & Hepatology (G&H)* is to contribute to the advancement of these interrelated fields by providing indispensable editorial content to gastroenterologists and hepatologists. *G&H* fulfills the voiced need of practicing physicians for a practical and readable journal containing the most up-to-date clinical information in gastrointestinal disorders, including diseases of the liver and biliary tract.

G&H has three main editorial departments:

- Thought leader-driven review articles
- Clinical case studies with expert commentary
- Advances columns featuring engaging interviews with experts on current issues in IBD, IBS, GERD, hepatitis, and endoscopy

Editorial Direction

A peer-reviewed monthly journal, *G&H* provides editorial content encompassing a wide array of topics relevant and useful to the fields of gastroenterology and hepatology, both separately and together. Content is directed by the strong input of experts in the field. *G&H* contains several monthly columns providing cutting edge content on current issues in these fast-moving fields, including:

- Pro/Con: Experts present their views on controversial issues in gastroenterology and hepatology
- Clinical Trials Broadcast: Summaries of ongoing, phase III clinical trials in vital therapeutic areas
- Gastro/Hep News: Briefs about the latest developments and global meeting coverage
- Clinical Updates: Peer-reviewed updates on landmark therapeutic developments

Circulation

G&H circulates to over 18,000 gastroenterologists, hepatologists, pediatric gastroenterologists, colon and rectal surgeons, and NP/PA's identified as high prescribers of GI products.

Specialty	Circulation
Gastroenterologists	15,543
Pediatric Gastroenterology	1,633
Colon/Rectal Surgery	599
Hepatologists	140
NP's/PA's (Gastro Specialty)	724
Total Circulation	18,639

(as of August 2019)

2020 Print Advertising Rates

Effective Date: January 2020

Agency Commission: 15% of gross on space, color, and position if paid within 30 days.

Earned Rate: Frequency Discounts are earned on the basis of accumulated ad space placed within a 12-month period. All pages of a parent company and its subsidiaries placed in *Gastroenterology & Hepatology* are combined to determine the earned rate for the publication.

B&W Page Rates	Full Page	2/3 Page	1/2 Page	1/3 Page	1/4 Page

MECHANICAL SPECIFICATIONS

Publication Binding: Perfect bound.

Production Contact: design@clinicaladvances.com or 212-995-5568.

Ad Sizing:

Ad Unit	Trim Size	Bleed	Live Area
Full Page	8 1/8" (width) x 10 7/8" (height)	8 3/8" x 11 1/8" (Bleed should extend at least 1/8" beyond trim size on all sides)	Maintain 1/2" safety zone for live content inside trim. Allow an extra 1/4 inch for gutter binding.
2-Page Spread	16 1/4" (width) x 10 7/8" (height)	16 1/2" x 11 1/8" (Bleed should extend 1/8" beyond trim size on all sides)	Maintain 1/4" safety zone for live content inside trim. Allow an extra 1/8" safety for gutter allowance.
Half Page Horizontal	8 1/8" (width) x 5.0" (height)	Ad can bleed on top and sides only. (Extend bleed out 1/8" beyond trim size)	Maintain 1/2" safety zone for live content inside trim.
Half Page Vertical	4.0" (width) x 10 7/8" (height)	Ad can bleed on top, bottom, and either into gutter or outer edge. (Extend bleed out 1/8" beyond trim size)	Maintain 1/2" safety zone for live content inside trim. Also, if bleeding into gutter, allow an extra 1/4 inch for binding.
Quarter Page	4.0" (width) x 5.0" (height)	Ad can bleed on top and gutter or outer edge. (Extend bleed out 1/8" beyond trim size)	Maintain 1/2" safety zone for live content inside trim. Also, if bleeding into gutter, allow an extra 1/4 inch for binding.

Reproduction Specifications

File Formats	Please provide a high-resolution, press-ready PDF file of your ad on a cd.
Proofs	Include a high-resolution color proof of any color pages. Include color bars, registration, crop and bleed marks. And a laser of any black and white page.
Color	Set up color ads as CMYK.
Paper Stock	Ads that run on Body Pages will print on: 45# coated paper. Ads that run on covers will print on 80# coated paper.
Screen	Covers, inside, and 4-color process: 150-line screen.

Specifications for Printed Inserts

Sizes	2-, 4-, 6-, or 8-page folded supplied inserts. Maximum 8 3/8" and specification.
Insert Trimming	The final supplied trim size needs to be 8 3/8" x 11 1/8" Inserts jog to foot. This means that our printer trims 1/8" from the top. Keep this in mind in your design. Gutter safety: Allow 1/4" visual safety zone for live matter (type/images) from gutter (binding) edge. Also, an additional 1/8" to 1/4" can be lost from gutter edge when bound into the magazine. So, to be on the safe side, the total visual safety zone for live matter you should allow on either side of the gutter edge is 1/2" Insert quantity (includes spoilage allowance): 20,000.
Shipping	Preprinted inserts should be shipped directly to the printer at the address below. Please note the journal name and issue date on your shipment. Also please send a sample to the publisher, Steve Kurlander. (see address below). For contracts or insertion orders, please contact the publisher.

Cover Tip Specifications:

Trim Size: 7.75" (width) x 4.0" (height). Extend bleed out 1/8" beyond trim. Paper weight: Use 70 lb. or 80 lb.
